

# User Manual

```
Welcome to Hangman game
please choose your level:-
1- Easy
2- Hard

Please enter a valid choice number:
```

First the program will ask you to choose your level.

You have to enter 1 for easy level and 2 for hard level.

If you entered invalid value or letters, the program will ask you again to enter a valid choice number.

```
The word is: -----
Guess a letter or give up:
```

Then, you have to guess a letter you expect it in the word, if you choose a wrong letter then it counts a miss and the program will ask you to enter another letter.

If you guessed a correct letter then the program will reveal all in their correct positions.

If you guessed a letter which has already been guessed, The program will notify you.

```
The word is: -----
Guess a letter or give up: s
you guessed a wrong letter! There are 14 wrong attempts remaining
The word is: -----
Guess a letter or give up: l
